From the Manager...

Bryant Early, General Manager

Dear Members,

As summer quickly approaches, we are gearing up for our first full summer with the new Clubhouse. With everything, from Summer & Sports Camps to our Twisters Swim Team, there is sure to be something for all of our TC kids this year. For more information please call the main club line at 331-5900.

I am pleased to announce the Pool Cabana will be fully operational on Saturdays and Sundays beginning May 2nd and will open full-time, Tuesday through Sunday, on Saturday, June 6th. In addition, back by popular demand, our staff is happy to provide you with Poolside Service.

For all of you thirsty golfers, the Turn House will open Thursday through Sunday beginning May 1st. The Beverage Cart and Turn House will be available Tuesday through Sunday beginning June 2nd.

As Members, much of our success will continue to fall in your hands. Your feedback and support will be vital in helping Twin Creeks reach the next level. On that note, I would like to reiterate the importance of adhering to the proper dress and conduct codes while dining in the Clubhouse. Please know that although we welcome casual attire, torn and weathered clothing, workout attire, and pool cover-ups are not allowed in the Main Grille. Also, while welcomed on the wood floor (the bar area), hats are not allowed on the carpeted area of the Grille. Next, although we are a family oriented club, I need your help in making sure the Twin Creeks children remain safe while dining at the Club. Parents, you can easily help by simply not allowing your children to run inside or outside on the Terrace as this can cause serious harm. In addition, children must be accompanied by an adult at all times while at the Club; this includes the elevators and locker rooms. Please remember these rules are in place not only to protect our children but to ensure that all Members of Twin Creeks have an enjoyable Club experience.

Until next time,

Bryant Early
General Manager
