All NEW USPTA certified tennis pros with some of your old favorite pros!

- Session 2 = *8 weeks (Oct. 21 – Dec. 19)

GAME: Red Ball Beginners (starting at age 5 yrs. Old) – pro permission on accepting younger) **Wed & Fri** from **3:45pm-4:30pm**

SET: Orange Ball (6 yrs-10 yrs.) **Tues & Thurs** from **4:00pm-5:00pm**.

The **orange ball** is the same size as a normal tennis ball but doesn't bounce as high. This group is learning to rally with each other with ball control and consistency. With orange ball they will start to compete.

MATCH: Green Ball (8yrs-11yrs) **Wed & Fri** from **4:30pm-5:30pm**.

The **green dot balls** move a little faster and bounce a little higher than the orange balls. Expect your child to play out points and control a rally with strategy.

ACADEMY Group: Yellow Ball (12yrs and up)

Tues & Thurs from **5:00pm-6:30pm**. This group is ready for regular yellow tennis ball and play in tournaments on a regular court.

****The pros will place the student in the correct class**** Players ages are not exact. It is more important they are in the right class for their development. For pricing see Registration form.

****To help the professionals teach and students learn please watch from outside the gate.** This will help our productivity and your child to concentrate. Much like school it would be distracting if you were in class all the time. Thank you for your support on this.

****What happens if it rains?** We have a full week extra to have make up days. If we need more days, then we will resort to using a Friday. If you miss the Friday, then that will not be made up. Every effort will be given to have the class as long as it is safe and possible.

****If you are interested in Adult programming, we will have that on our website.** The best way to get your son or daughter to play good tennis is to learn and play with them. Notice I did not say coach them. Leave that to us. Your support is EVERYTHING!

****Attending on a consistent basis is the best way to improve.** If you could have them ready on time that would be awesome. We are honored to work with your child. To secure your spot please send the registration form to tennis@twincreeks.com
